LB 145, 145A, 332A, 335

start talking just off the top of my head. While I kill some time which Senator Bernard-Stevens shows up. LB 145A...LB 145 is the bill that would require certain persons to produce a certified birth certificate to obtain a drivers license or identification card. And there's...the A bill, if you look at the fiscal note and the A bill you will see, I believe it's a small amount of \$3,000 each fiscal year That is to pay for reprinting the form, your drivers license form, to put on the bottom of it the ability to...people changing names and stuff like that. And it's, I mean, there's a...the reason I'm a little nervous about doing it is I know Senator Bernard-Stevens questioned the cost of it. But we felt this was the comfortable amount to put in the bill. I'm assuming, since he introduced the bill, he can live with. So if he doesn't hear me or doesn't show up, I'm assuming...I move to advance the bill.
